Did you know...?

As true today as it was in 1917

From The Tremont News ~

"Every time you send a dollar to a mail order house you take a shingle off the roof of one of our home stores, and to a great extent our home stores make this town."

Tremont Athletics Update

Tremont Athletics is up and running, although at a slower pace than normal! We had 5 different teams able to compete in their sports for this fall season: Middle School Softball, Middle School Baseball, Middle School Cross Country, High School Golf, and High School Cross Country.

Our Middle School teams did a great job of pushing through their seasons despite the uncertainty of having seasons right until the last day. All 3 teams improved tremendously as the seasons went along and finished up in late September.

Our High School teams both competed extremely well during their seasons, despite the constant changing of restrictions and guidelines put on them. Tremont did have success at the Regional level with Chase Gibson advancing to the Sectional tournament in Golf. In Cross Country, Alida Proehl, Lydia Snider, and Zach Voss all advanced from their Regional race and ran on Halloween in the Cross Country Sectional at Elmwood.

Our fall athletes all did a great job of adapting to the new rules and way of doing things throughout their seasons. We are extremely proud of them and cannot wait for more athletes to be able to compete in their future sports!
